Good morning,

On Tuesday, October 7th, the Arts and Humanities Subcommittee 1 of the ASC Curriculum Committee reviewed new course requests for AAAS/Music 2050.

The Subcommittee approved the requests with the following feedback:

- *Recommendation:* The Subcommittee recommends removing the reference to the OSU grade scheme from the syllabus (p. 10), as OSU does not have a standardized grading scale and instructors are free to select a grading scheme which best suits the needs of their course.
- *Recommendation:* If the course will meet twice weekly, the Subcommittee recommends that the course schedule be revised to include day-by-day details rather than weekly overviews. The schedule should outline specific action items and activities to clearly communicate to students what is expected for each class session.

As a reminder, *recommendations* (in italics above) should be implemented when the courses are next taught.

AAAS/Music 2050 will continue through the approval process to OAA.

Should you have any questions, please do not hesitate to reach out to me.

Best,
Jennifer
