Good morning,

I am pleased to report that Christopher Hadad (faculty Chair of the NMS Subcommittee) has reviewed and approved the revisions to Biology 2360.

Please note that the link: Policy: [Religious Holidays, Holy Days and Observances](#) was removed from the religious accommodations statement in the revised syllabus and should be reinstated in the final version.

Biology 2360 will now continue to one of the Themes subcommittees for review as a GEN Theme: Health & Wellbeing course.

Please let me know if you have any questions.

Best,
Jennifer
