Good afternoon,

On Thursday, October 30th, the Natural and Mathematical Sciences Subcommittee of the ASC Curriculum Committee reviewed a new course request for Biology 3870.

I am pleased to report that the Subcommittee approved the request with no additional feedback.

Biology 3870 will continue through the approval process to one of the Themes subcommittees for approval in the GEN: Theme category Origins and Evolution.

Please do not hesitate to contact me if you have any questions.

Best,
Jennifer
