---

Good morning,

On Tuesday, September 9<sup>th</sup>, the Arts and Humanities Subcommittee 1 of the ASC Curriculum Committee reviewed a course change request for History 3190.

The Subcommittee approved the request with the following feedback:

- *Recommendation:* Instructors are welcome to include any other standard and/or recommended syllabus statements found on the [Office of Undergraduate Education's webpage](#) which they deem relevant for their course. Please refer to this page to ensure that the Diversity and Title IX statements on p. 11 of the syllabus (now combined into the statement on “Creating an Environment Free from Harassment, Discrimination, and Sexual Misconduct”) and all other statements are current and accurate.
- *Comment:* The Subcommittee notes the inclusion of a Land Acknowledgment in the syllabus (p. 11). As of 06/27/2025, Land Acknowledgments are no longer permissible on official university documents (including most syllabi) per the university’s SB1 Compliance website. The course instructor(s) should consult with their TIU director/chair regarding whether this statement may be included within the syllabus.

As a reminder, *recommendations* (in italics above) should be implemented when the course is next taught.

History 3190 will continue through the approval process to OAA.

Should you have any questions about the feedback, please do not hesitate to reach out to Dave Hedgecoth (faculty Chair of the A&H1 Subcommittee) or me.

Best,  
Jennifer
