Good afternoon,

On Tuesday, September 16th, the Arts and Humanities Subcommittee 2 of the ASC Curriculum Committee reviewed a course change request for History 3088.

The Subcommittee approved the request with the following feedback:

- **Comment:** The Subcommittee notes the inclusion of a Land Acknowledgment in the syllabus (p. 17). As of 06/27/2025, Land Acknowledgments are no longer permissible on official university documents (including most syllabi) per the university's SB1 Compliance website. The course instructor(s) should consult with their TIU director/chair regarding whether or not this statement may be included within the syllabus.
- **Recommendation:** Instructors are welcome to include any standard and/or recommended syllabus statements found on the [Office of Undergraduate Education's webpage](#) which they deem relevant for their course. Please refer to this page to ensure that the statement on Diversity (pp. 16-17) (now to be replaced with the statement on "Creating an Environment Free from Harassment, Discrimination, and Sexual Misconduct"), the email address link in the Religious Accommodations statement (pp. 20-21), and all other statements are current and accurate.

History 3088 will continue through the approval process to OAA.

Should you have any questions about the feedback, please do not hesitate to reach out to David Staley (faculty Chair of the A&H2 Subcommittee) or me.

Best,
Jennifer
