Good afternoon,

On Tuesday, September 16th, the Arts and Humanities Subcommittee 2 of the ASC Curriculum Committee reviewed course change requests for Ethnic Studies/WGSS 3340.

The Subcommittee approved the requests with the following feedback:

- *Recommendation:* The Subcommittee recommends removing the Disability Services statement on the first page of each syllabus as it is out of date and the correct version already appears on page 10.
- *Recommendation:* The Subcommittee recommends that the departments remove the sidebar comments that were left in the syllabus documents.

As a reminder, *recommendations* (in italics above) should be implemented when the courses are next taught.

The courses will continue through the approval process to one of the Themes Subcommittees for review as GEN Theme: Citizenship for a Diverse and Just World courses.

Should you have any questions about the feedback, please do not hesitate to reach out to David Staley (faculty Chair of the A&H2 Subcommittee) or me.

Best,
Jennifer
