Good afternoon,

On Tuesday, September 30th, the Arts and Humanities Subcommittee 2 of the ASC Curriculum Committee reviewed new course requests for History/Slavic 3721.

The Subcommittee approved the requests with the following feedback:

- **Contingency:** As of August 29th, 2025, all syllabi must have either a link to the statements below **or** these statements written out in their entirety within the syllabus (the statement(s) in **bold** below are missing from the current syllabus). Syllabi should link to the Office of Undergraduate Education's [Syllabus Policies & Statements webpage](#) and/or copy-and-paste the statements from the Office of Undergraduate Education's website.

- Academic Misconduct
- Student Life - Disability Services
- Religious Accommodations
- **Intellectual Diversity**

Instructors are welcome to include any other standard and/or recommended syllabus statements found on the Office of Undergraduate Education's webpage which they deem relevant for their course. Please also refer to this page to ensure all other statements are current and accurate.

As a reminder, **contingencies** (in bold above) must be addressed and resubmitted via curriculum.osu.edu before a course can move forward in the approval process.

I will return the courses to the department queues via curriculum.osu.edu in order to address the Subcommittee's requests.

Should you have any questions about the feedback, please do not hesitate to reach out to David Staley (faculty Chair of the A&H2 Subcommittee) or me.

Best,
Jennifer
