Good evening,

On Tuesday, October 14th, the Arts and Humanities 2 Subcommittee of the ASC Curriculum Committee reviewed a course proposal for Women's, Gender, and Sexuality Studies 3660.

The Subcommittee unanimously approved the request with two recommendations:

- a. *Recommendation:* With the additional Theme-related information now included in the grading chart (pp. 5-12), the Subcommittee recommends separating the grade breakdown from the assignment descriptions to improve the readability of the syllabus.
- b. *Recommendation:* The Subcommittee recommends that the final project and reflection be added to the course calendar.

WGSS 3660 will continue through the approval process to the Themes Subcommittee for inclusion in the GEN Theme: Sustainability category.

Should you have any questions about the feedback of the Subcommittee, please feel free to contact David Staley (faculty Chair of the A&H 2 Subcommittee; cc'd on this e-mail), or me.

Best,
Rachel

I acknowledge that the land that The Ohio State University occupies is the ancestral and contemporary territory of the Shawnee, Potawatomi, Delaware, Miami, Peoria, Seneca, Wyandotte, Ojibwe and Cherokee peoples. Specifically, the university resides on land ceded in the 1795 Treaty of Greenville and the forced removal of tribes through the Indian Removal Act of 1830. I honor the resiliency of these tribal nations and recognize the historical contexts that has and continues to affect the Indigenous peoples of this land.
