Subject: Spanish Minor Revision

Good morning,

On Tuesday, October 21st, the Arts and Humanities Subcommittee 1 of the ASC Curriculum Committee reviewed a proposal to revise the Spanish minor.

The Subcommittee approved the request with the following feedback:

- **Contingency:** The Subcommittee notes that p. 1 of the proposal mentions that both a

marked up and an original version of the ASC Spanish minor advising sheet are included. However, the proposal only contains the version with edits. The Subcommittee requests that either this information be corrected on p. 1 or the original version also be submitted.

- RS: I have attached the original as it was provided to me by Rachel Steele on 8/25/25 via email.
- **Contingency:** The Subcommittee notes that the list of elective courses on page 2 of the proposal includes Portuguese 5611: The Portuguese Language, which requires Portuguese 3401 or Portuguese 5502 and graduate standing as prerequisites. Since the course is taught in Portuguese, most Spanish students will not have the necessary background to enroll. The Subcommittee requests that the advising sheet make note that this course is taught in Portuguese, so student are aware.
 - RS: This addition has been made in the advising sheet in 1) the initial description, as well as 2) in a note following Pathway 2's list of courses (re-attached).
- **Contingency:** Course Spanish 4595.01 appears as an elective on the advising sheet but does not appear in the letter of the proposal. The Subcommittee requests that this mismatch be resolved and the department determine whether they want to include this course in the minor. Please also note that the course does not appear in the OSU course catalog, though it was taken out of limbo effective Autumn 2024. This should be resolved.

RS:

- I found updates of the Spanish Minor from 2015 and 2022 submitted to the College with Spanish 4595.01 included. I do think that it was removed from the Minor due to its limbo status. It should apply to the Spanish Minor in Pathway 2.
- 4595.01 is the Hispanic Linguistics version of Spanish 4595.02 (Iberian Literatures and Cultures) and 4595.03 (Latin American Literatures and Cultures) and is only given for pre-approved Global Study courses. Our Minors are expressing interest and going on abroad programs where we have this offering available as a pre-approved course.
- I have contacted Sarah Brower in the Registrar and the course will now appear in the Bulletin even though it was removed from limbo in Au24.
- See the re-attached letter / narrative from Dr. Romero, which includes Spanish 4595.01 among the course listings.
- **Recommendation:** The Subcommittee recommends that the name of each pathway be restated where the courses are listed in the advising sheet to make it more visible and clearer to students.
 - RS: This addition has been made in the tracked revisions in the advising sheet (re-attached)

As a reminder, **contingencies** (in bold above) must be addressed and resubmitted to Bernadette Vankeerbergen.1 before this proposal can move forward in the approval process to the full Arts and Sciences Curriculum Committee.

Should you have any questions about the feedback, please do not hesitate to reach out to David Hedgecoth (faculty Chair of the A&H1 Subcommittee; cc'd on this email) or me.

Revision to the Spanish Minor

Dr. Ila Nagar
Chair, Arts and Sciences Curriculum Committee

October 8, 2025

Dear Ila and ASC Committee Members:

The Department of Spanish and Portuguese wants to revise its existing Spanish Minor. For some background, the Spanish Minor (n = 540+) is highly pursued by undergraduate students in the Colleges of Arts and Sciences, Business, Engineering, Nursing, Education and Human Ecology, and the School of Health & Rehabilitation Sciences. However, as currently designed, the minor favors a Literatures and Cultures pathway. Our revision proposes an additional pathway that would allow students interested in Hispanic Linguistics to achieve the Spanish Minor without completing additional courses above and beyond the current minimum minor requirement of 15 credit hours of 3000+ level courses.

The existing minor design has the following course requirements: Spanish 3401 > 3403/3413 > 3450/H at the orientation level as pre-requisites to the 4000+ level courses in Literatures and Cultures concentrations, for completion. However, students interested in Hispanic Linguistics would have to fulfill the above orientation requirements plus Span 3404 and 4430/H before being able to take any 4000-level courses in Hispanic Linguistics (the minor requires 2 courses beyond the orientation courses). As such, under the currently designed Spanish Minor, if students desire to take 4000+ level courses in Hispanic Linguistics, but would only like to achieve a Spanish Minor, they must take 18+ credit hours (e.g. Spanish 3401 > 3403/3413 > 3450/H > 3404 > 4430/H > 4536). This has created an imbalance between the depth and breadth students can achieve within the Spanish minor, and the Hispanic Linguistics 4000+ level concentration courses stand at a disadvantage in both offerings and enrollment in the Department.

This revision proposes 2 pathways to completion of the Spanish Minor (15 credit hours):

- 1) Maintain the current requirement: Spanish 3401 + 3403 > 3450/H + 2 L&C courses at the 4000+ level.
- 2) Add the Hispanic Linguistics Pathway: Spanish 3401 + 3404 > 4430/H + 2 HL courses at the 4000+ level.

Notes:

- Spanish 3406 and 4606 have been removed from the Literatures & Cultures Pathway of the Spanish Minor, as they comprise two core courses of the Spanish Minor for Business (Spanish 2506 + 3401 + 3403 + 3406 + 4606).
- By removing 3404 and 3406 from the Electives section in each pathway, all courses are at the 4000+ level, therefore, students would be required to take two 4000+ level courses beyond the orientation or pre-requisite courses.

Curricular Requirements for new HL Pathway: 15cr hours as follows

- See: ASC Spanish Minor Advising Sheet, 1) marked up and 2) original

List of regularly offered courses that will be utilized as HL pathway requirements for the Spanish Minor:

All courses listed as requirements or electives for the proposed HL Minor are currently offered by SPPO. The following courses are required for the proposed HL Pathway for the Spanish Minor:

1. Spanish 3401 Advanced Grammar (Pre-req: Spanish 2202/2213)
2. Spanish 3404 Spanish Phonetics (Pre-req: Spanish 2202/2213)
3. Spanish 4430/H Intro to Spanish Linguistics (Pre-req: Spanish 3401 and 3404)

The following courses have been identified as electives for the proposed HL Minor pathway:

4. Portuguese 5611 The Portuguese Language (Portuguese 3401, or Portuguese 5502 and Grad standing pre-req)
5. Spanish 4532 Modern Spanish Syntax (Spanish 4430/H pre-req)
6. Spanish 4534/E Spanish Phonology (Spanish 4430/H pre-req)
7. Spanish 4536 Language Change in Spanish (Spanish 4430/H pre-req)
8. Spanish 4537 Spanish Psycholinguistics (Spanish 4430/H pre-req)
9. Spanish 4538 Language Variation in Spanish (Spanish 4430/H pre-req)

11. Spanish 4610 Contrastive Structures of Spanish & English (Spanish 4430/H pre-req)
12. Spanish 4689S Translation and Interpreting in the Latino Community (Spanish 4430/H pre-req)
13. Spanish 5389 US Latino Languages and Communities (Spanish 5201 or Spanish 4430/H pre-req)
 - a. Note that this is the only course designed to fit in both, as the pre-requisites fall in both pathways, making it possible to complete the Minor within the 15 credit hour design:
 - i. L&C Pathway: Spanish 3401 > 3403 > 3450/H + 5201 + 5389
 - ii. HL Pathway: Spanish 3401 > 3404 > 4430/H + 5389 + 1 additional listed course.

Curriculum Map & Example HL Minor Trajectory

Design of this trajectory assumes an initial placement of Spanish 1103/1113. Students wishing to declare the HL Minor may test lower or higher, choose to complete listed courses during a global study program, or take summer courses on campus or at another institution to complete this minor program:

AU-YR1: Spanish 1103/1113
SP-YR1: Spanish 2202/2213
AU-YR2: Spanish 3404
