Good morning,

On Tuesday, October 28th, the Arts and Humanities Subcommittee 2 of the ASC Curriculum Committee reviewed new course requests for AAAS/Religious Studies 4344.

The Subcommittee approved the requests with the following feedback:

- The Subcommittee commends the departments for a very interesting course.
- **Request to include full citations of the required texts in the course schedule (syllabus pp.5-7)**
- **Per ASCC rule, the syllabus should include the GEN Theme goals and learning outcomes followed by a paragraph that explains how the course will fulfill those GE learning outcomes.**
- **Check with Ethnic Studies about potentially including the course in the Latino Studies minor. Also, please talk to the Department of Arts Administration, Education and Policy about possibly cross-listing this course with them.**
- *At the bottom of p.1, change word “requirement” to “assignments.” Furthermore, listing the various assignment grades in a table is more reader-friendly.*

As a reminder, **contingencies** (in bold above) must be addressed and resubmitted via curriculum.osu.edu before a course can move forward in the approval process.

Recommendations (in italics above) should be implemented when the course is next taught.

I will return AAAS/Religious Studies 4344 to the department queues via curriculum.osu.edu in order to address the Subcommittee’s requests.

Should you have any questions about the feedback, please do not hesitate to reach out to David Staley (faculty Chair of the A&H2 Subcommittee) or me.

Best,
Jennifer
