Good morning,

On Tuesday, October 28th, the Arts and Humanities Subcommittee 2 of the ASC Curriculum Committee reviewed a new course request for Comparative Studies 4456.

I am pleased to report that the Subcommittee approved the request with two comments:

- Comment: The Subcommittee commends the department for this excellent course proposal.
- Comment: Please note that the “Plagiarism and Intellectual Integrity” statement on p. 8 is repeated and further developed at the link to all the university policies on p. 9.

Comparative Studies 4456 will now continue through the approval process to one of the Themes subcommittees for approval in the GEN Theme: Lived Environments category.

Should you have any questions, please do not hesitate to reach out to David Staley (faculty Chair of the A&H2 Subcommittee) or me.

Best,
Jennifer
