Good evening,

On Wednesday, Nov. 5th the Social and Behavioral Sciences Subcommittee of the ASC Curriculum Committee reviewed a proposal to suspend the Sociology Bachelor of Science.

The Subcommittee unanimously approved the request with one comment:

- a. Comment: The Subcommittee notes that the suspension of the program will be effective immediately upon approval of the Committee on Academic Affairs; thus, student-facing materials (websites, etc.) should use the date of AU25. Students currently in the program will not be affected; suspension means that the program will be withdrawn after 5 years.

The proposal will continue through the approval process to the full Arts and Sciences Curriculum Committee.

Should you have any questions about the feedback of the Subcommittee, please feel free to contact Rachel Dwyer, (faculty Chair of the SBS Subcommittee; cc'd on this e-mail), or me.

Best,
Rachel

I acknowledge that the land that The Ohio State University occupies is the ancestral and contemporary territory of the Shawnee, Potawatomi, Delaware, Miami, Peoria, Seneca, Wyandotte, Ojibwe and

Cherokee peoples. Specifically, the university resides on land ceded in the 1795 Treaty of Greeneville and the forced removal of tribes through the Indian Removal Act of 1830. I honor the resiliency of these tribal nations and recognize the historical contexts that has and continues to affect the Indigenous peoples of this land.
