Good morning,

On Tuesday, November 18th, the Arts and Humanities Subcommittee 2 of the ASC Curriculum Committee reviewed a new course request for Music 7733.

The Subcommittee approved the request with the following comments:

- The Subcommittee appreciates the use of rotating student roles for each week.
- The Subcommittee notes a small typo on page 6 of the syllabus where “Work on Respect in the Classroom” should be “Word on Respect in the Classroom.”

Music 7733 will continue through the approval process to the Graduate School.

Please feel free to reach out to me should you have any questions.

Best,
Jennifer
