Good afternoon,

On Tuesday, November 25th, the Arts and Humanities Subcommittee 1 of the ASC Curriculum Committee reviewed a new course request for Philosophy 3341.

I am pleased to report that the Subcommittee approved the request with the following feedback:

- *Recommendation:* The Subcommittee notes that the SLDS statement appears twice in the syllabus and recommends removing the version on pp. 6-7, as it is not the most recent version of the statement.
- *Recommendation:* The Subcommittee notes that the syllabus (pp. 6, 7-8) includes two academic misconduct statements and recommends removing one to avoid redundancy.
- *Recommendation:* The Subcommittee recommends that the department ensure the links included in the Religious Accommodations statement in the syllabus (p. 8) function as hyperlinks.
- *Recommendation:* The Subcommittee recommends removing the reference to the OSU grade scheme from the syllabus (p. 10), as OSU does not have a standardized grading scale and instructors are free to select a grading scheme which best suits the needs of their course.

As a reminder, *recommendations* (in italics above) should be implemented when the course is next taught.

Philosophy 3341 will continue through the approval process to OAA.

Should you have any questions, please do not hesitate to reach out to David Hedgecoth (faculty Chair of the A&H1 Subcommittee) or me.

Best,
Jennifer
