Good morning,

On Tuesday, December 9th, the Arts and Humanities Subcommittee 1 of the ASC Curriculum Committee reviewed a new course request for NELC 4900.

I am pleased to report that the Subcommittee approved the request with the following feedback:

- Comment: The Subcommittee requests clarification regarding the intended student audience for this course. The unit may wish to consider whether enrollment should be limited to its own majors through the use of prerequisites, particularly given the course's reliance on interaction with specific prior material. The Subcommittee asks whether the course is also intended for minors, and whether any course-specific prerequisites are needed to support student success.

Please respond to confirm whether the department would like to add any prerequisites (such as enrollment in the program), as noted above. If so, I will make the necessary updates in curriculum.osu.edu before the course advances.

Best,
Jennifer
