Good morning,

On Tuesday, February 3<sup>rd</sup>, the Arts and Humanities Subcommittee 2 of the ASC Curriculum Committee reviewed a new course request for Art Education 2800.

The Subcommittee approved the request with the following feedback:

- Comment: The Subcommittee commends the course design and finds it to be a strong and engaging offering.
- Comment: Given the scope and amount of work required of the course, the Subcommittee encourages the department to consider whether this course might be more appropriately positioned as an upper-level offering rather than at the 2000-level.

Art Education 2800 has been advanced to one of the Themes subcommittees for review as a course in the GEN Theme: Sustainability category.

Should you have any questions about the feedback, please do not hesitate to reach out to David Staley (faculty Chair of the A&H2 Subcommittee) or me.

Best,  
Jennifer
