1. Provide the rationale for proposing this course:

This course is already a part of our current AuD program curriculum. The AuD program was approved in 2003, however this course has been temporarily taught as a 693/893. We now want to add this as a permanent course number. Tinnitus is a common condition in the hearing impaired population and is an important piece of educating independent and well-balanced audiologists.

2. Please list Majors/Minors affected by the creation of this new course. Attach revisions of all affected programs. This course is (check one): Required on major(s)/minor(s) A choice on major(s)/minors(s)
