1. Provide the rationale for proposing this course:

The capstone project is already a part of our current AuD program curriculum. The AuD program was approved in 2003, however Capstone project hours were temporarily listed as 693/893. We now want to add this as a permanent course number. The Capstone Project is expected to be a scholarly contribution to knowledge in a chosen area of specialization. It is similar in scope to a traditional Master's Thesis. Student's will enroll in 997 over several quarters as they complete this project.

2. Please list Majors/Minors affected by the creation of this new course. Attach revisions of all affected programs.
