1. Provide the rationale for proposing this course:  
 Many studies on Japanese language processing have accumulated over the last couple of decades. Learning how Japanese is processed allows students to deepen their understanding of how our language faculty works, and especially, for those who will teach Japanese as a foreign language, it helps them to understand the mechanism of language development.

2. Please list Majors/Minors affected by the creation of this new course. Attach revisions of all affected programs.  
 This course is (check one):  Required on major(s)/minor(s)           A choice on major(s)/minors(s)
