1. Provide the rationale for proposing this course:

It is possible that students with passing grades can fail the assessment in our BA portfolio review. An S grade in this zero credit course provides a computer recognizable enrollment control mechanism for the Art BA majors entering required courses above the 300 level. We understand there is no other way to both indicate the review on a students transcript and make it part of auditing a students progress.

2. Please list Majors/Minors affected by the creation of this new course. Attach revisions of all affected programs.

This course is (check one): Required on major(s)/minor(s) A choice on major(s)/minors(s)

An elective within major(s)/minor(s) A general elective

3. Indicate the nature of the program adjustments, new funding, and/or withdrawals that make possible the implementation of this new course.

Portfolio review has been an integral part of the Department's offering for 20 years. There are no new funding or program adjustments required.

4. Is the approval of this request contingent upon the approval of other course requests or curricular requests?

Yes No List:

5. If this course is part of a sequence, list the number of the other course(s) in the sequence: No

6. Expected section size: Proposed number of sections per year:

7. Do you want prerequisites enforced electronically (see OAA manual for what can be enforced)? Yes No

8. This course has been discussed with and has the concurrence of the following academic units needing this course or with academic units having directly related interests (List units and attach letters and/or forms):
Not Applicable

9. Attach a course syllabus that includes a topical outline of the course, student learning outcomes and/or course objectives, off-campus field experience, methods of evaluation, and other items as stated in the OAA curriculum manual and e-mail to ascurofc@osu.edu.
