1. Provide the rationale for proposing this course:

We wish to expand our GEC course offerings to complement Modern Greek 241 - Honors (Culture of Contemporary Greece), which includes a component of Short-term Studies Abroad in Athens. As a course specializing on the city of Athens, the proposed MDGR 200 will work in tandem with MDGR 241(Honors), presently in high demand by students. MDGR 200 will address a subject matter that is offered by major modern Greek Programs in the country, while enabling OSU students who have taken introductory courses in modern Greek culture, or participated in the Athens study abroad fieldtrip to focus in depth on the history and culture of this national capital. MDGR 200 and MDGR 241 will work as an integrally related series that expands the opportunities of students to study the Western legacy in the Greek context.
