To Whom It May Concern:

This letter is to confirm the approval by the Middle Childhood Education M.Ed. program in the School of Teaching and Learning in the College of Education and Human Ecology, across the five campuses, for the new course sequence Math 108, 109, 110, 111, and 212 that is proposed to be offered beginning Autumn Quarter 2008. In our meeting on April 26, 2007, the faculty considered and approved the proposed sequence listed above. Our approval depends on the understanding that the above sequence does not replace Math 105, 106, 107 and 117 for students entering the Middle Childhood Education M.Ed. program. Rather it provides an alternative to the existing sequence.

Sincerely,

Mollie Blackburn
